

# WE CARE FOR CAREGIVERS

## THE CAREGIVER SUPPORT CENTER

Montefiore is New York City's first medical center to offer families a Caregiver Support Center. We know that the role of caregiver can be demanding, stressful and lonely. The Center offers patients' families and friends a private, safe, soothing and confidential environment to reflect, talk and meet with family. Stop by the Center while your loved one is being cared for in the hospital. Our specially-trained staff will ensure you find the warm, welcoming and supportive atmosphere that you deserve.

In addition to providing comfort and support, the Center offers access to:

- Quiet areas for privacy, relaxation and personal conversations.
- Telephones, computers and Wi-Fi
- Copy and fax machines
- Caregiver resource library.

Services are provided free of charge to caregivers of Montefiore patients.

"WE CAN'T THANK YOU ENOUGH FOR ALL THE LOVE AND SUPPORT YOU GAVE US DURING THE ENTIRE MONTH DAD WAS IN THE CICU. THROUGH ALL THE DIFFICULT TIMES WE EXPERIENCED, YOU BECAME AN EXTENSION OF OUR FAMILY, AND YOUR PEACEFUL LITTLE AREA FELT LIKE HOME."

—Susan Fumo Cavaluzzi
